

Green Meadow School Summer Reading Suggestions

Entering Fourth Grade

Make time to read this summer! Summer reading should be fun and enjoyable. Letting children choose what they would like to read helps to ensure their interest and participation. Consider signing your child up for a summer reading program, such as the one at the Maynard Public Library or at Barnes and Noble. Read to your children often, let them reread favorites, or listen to audio books. Let them see you reading for pleasure and don't forget to pack a book wherever you go this summer!
